Ok. Please send us: the meeting title, length, and list of invitees. What time of the day on the 15th would be best? Morning or late afternoon?

Michael,
I can only do the 13th before 9 am. Right now I am available anytime the 15th except 1:30 to 3; but other folks are looking to schedule briefings that day, so I suggest you double check my Outlook availability before scheduling something. Ruth can help with Outlook availability if needed.
